

The complete index of *The Historical Trail* from 1962 to 1998

Compiled by Walter H. Jones 3/13/12

(Note: The first issue of *The Historical Trail* appeared in 1962. This issue marks 30 years of publishing. There are two exceptions to the yearly publication. The 1969-70 *Trail* was a double issue marking the Pilmore-Boardman Bicentennial. While actually published in 1970, it bears the date of 1969. No *Trail* was published 1986 because of the publication of *What God Has Wrought, A History of the Southern New Jersey Conference of The United Methodist Church*. Two indexes have appeared in 1972 and 1982, each covering a ten year period. The index below is a cumulative index covering all issues of *The Historical Trail* published.)
